

Date : 9th December 2025

Dear Parents/Carers,

Speech & Language Therapist working in school

During the 2025-2026 school year we will have a Salford Care Organisation Speech and Language Therapists (SALTs), Ellie Pickford and Amy Burton, working in school to support us in developing children's communication skills.

As well as specific work with children on the caseload, Ellie and Amy will be doing whole class work (e.g., screening assessments and interventions). This means school will share your child's name and date of birth with the Speech and Language Therapist.

This information will be used to:

- Compare your child's speech and language skills progress with peers of a similar age.
- Demonstrate your child's progress in an end of year report.

Your child may be seen by the Speech and Language Therapist and participate in group activities.

If you would not like this to happen, please speak to your child's class teacher.

If your child attends Speech and Language Therapy appointments at clinic, please continue to take them to these appointments.

Should you have any questions, please speak to myself or your class teacher.

Kind regards,

Yours sincerely,

L. Clegg
