

Year 9 order of teaching

In year 9 students have one lesson per week.

Units to be studied cover a range of Biology, Chemistry and Physics and all units incorporate "How science works" and "Science skills"

Both Level assessed tasks (Badger) and End of Unit tests will be used to assess student's knowledge and progress across a topic of work.

Autumn term		
Assessment Point (SIMS)	Topic	Assessment Type
1	Energy and Electricity	LAT/EUT
HALF TERM		
2	Metal Reactions	LAT/EUT
CHRISTMAS BREAK		

Spring term		
	Topic	Assessment
3	Sound	LAT/EUT
HALF TERM
