

Vp people building success,  
building your future

# Apprenticeship Land based engineering Technical Level 3

Looking to your future? With the Vp group you will get trained, get paid £14,500 per annum and get qualified, rising to upwards of £23,000 once you are qualified.

## Do you have...

- GCSE grades 4 and above (A - C) in Maths and English Language?
- A 3 year commitment to attend college on block release?
- An interest in mechanical and electrical equipment?
- A desire to learn the technical aspects of our product range?

We have fantastic opportunities at many of our locations across the UK and we are looking to hear from enthusiastic, talented and self-motivated team players to join our 2023 apprenticeship scheme.

Please scan the QR code right or go online at [vpcareers.vpplc.co.uk](https://vpcareers.vpplc.co.uk) for more details and to apply.
